IMPORTANT: You are expected to follow instructions and register for classes following our guidance on PIER and below. An Academic Advisor will review your schedule after you register and will reach out to you via your ECU email if changes are needed. Schedule changes can be made now through the first week of the fall semester. Courses fill up quickly, so begin registering for classes as soon as possible. If you wait until New Student Orientation, your course options will be limited.

If you are bringing in transfer credits (e.g. EARLY COLLEGE or DUAL ENROLLMENT credits) you must submit a FINAL OFFICIAL transcript from your community college/university in addition to your official high school transcripts to the ECU Undergraduate Admissions Office. ECU can NOT accept college credits from your high school transcripts. Please email a copy of your COLLEGE (not high school) transcripts to THCASadvising@ecu.edu if you need further guidance.

CHOOSE YOUR FALL COURSES: To stay on track to graduate in four years, plan to register for a 15-16 semester hour schedule every fall and spring semester. To be full-time for tuition purposes, register for at least 12 semester hours.

Step 1: We have created helpful videos to not only to give you an overview of the major, but to give you registration advice! Please watch them before you register. https://thcasadvising.ecu.edu/orientation/

Step 2: Log into your Pirate Port account and complete the PIER quiz. This quiz will open on May 14, 2021 at 12:00pm to all students who have paid their enrollment deposit. After completion you will receive your PIN and can register for courses! Click HERE to open a step-by-step guide on how to register for classes in Banner Self Service.

Step 3: Register for PRIORITY course(s) in your major. If courses are full, please move on to next step and continue registering for courses. You can continue to check for open seats in your priority course(s) up until the first week of the fall semester.

| Geography      | **GEOG 2410: Fundamentals of Geographic Information Science**  
In addition to GEOG 2410, you should try and register for this course your first semester however, you’ll still be on track if you take this course during your second semester.  
In addition to GEOG 2410, you can try to register for ONE of the following courses below if you wish:  
GEOG 1000 People, Places, and Environments  
GEOG 2300 Geography of Environmental Resources  
PLAN 1900 Sustainable Cities | 3 |
| Geography (Natural Science) | **It is recommended that you register for one of the natural sciences below.**  
GEOG 1250 and 1251 Water in the Environment with Lab  
OR  
GEOG 1300 Weather and Climate (no lab) | 3-4 |

Step 4: In addition to the courses listed in step above, complete your schedule by registering for additional courses from the options below. Remember to register for at least 12 semester hours of courses for tuition and financial aid purposes.
