COMMUNICATION
FIRST SEMESTER COURSE OPTIONS

IMPORTANT: The schedule you create now through PIER is a first draft. Schedule changes can be made now through the first week of the fall semester. An Academic Advisor will review your schedule with you at summer orientation. Courses can fill up quickly, so it is recommended that you begin registering for classes as soon as possible. If you wait to begin the registration process, your course options may be limited.

If you are bringing in transfer credits (e.g. Early College or Dual Enrollment) you must submit an official transcript from that institution to the ECU Undergraduate Admissions Office. If you have AP credit, you must have College Board submit your scores to the ECU Undergraduate Admissions Office.

CHOOSE YOUR FALL COURSES: To stay on track to graduate in four years, plan to register for a 15-16 semester hour schedule every fall and spring semester. To be full-time for tuition purposes register for at least 12 semester hours.

Step 1: Click HERE to open a step-by-step, screenshot tutorial on how to register for classes in Registration & Planning application through Pirate Port.

Step 2: Register for PRIORITY course(s) in your major. If courses are full please move on to Step 3 and continue to check for open seats in your priority course(s) up until you attend New Student Orientation.
