ENGLISH EDUCATION
FIRST SEMESTER COURSE OPTIONS

IMPORTANT: The class schedule you create now through PIER is a first draft. Courses fill up quickly so register for classes as soon as possible. Schedule changes can be made now through the first week of the fall semester. Please check your ECU email account for information regarding your specific academic advisor assignment. If you have questions or need help prior to that time, we encourage you to reach out to us at COEadvising@ecu.edu.

If you are bringing in transfer credits (e.g. Early College or Dual Enrollment credits) you must submit a final/official transcript from your community college/university to the ECU Undergraduate Admissions Office. Please email an unofficial copy of your College (not high school) transcripts to your Advisor for additional enrollment assistance.

CHOOSE YOUR FALL COURSES: To stay on track to graduate in four years, plan to register for a 15-16 semester hour schedule every fall and spring semester. To be full-time for tuition purposes, register for at least 12 semester hours.

Step 1: Click HERE to open a step-by-step tutorial on how to register for classes in PiratePort (Registration & Planning).

Step 2: Click HERE for Waitlist Instructions.

Step 3: Register for the PRIORITY course in your major. If the course is full, please move on to Step 4 and continue to check for open seats in your priority course up until you attend New Student Orientation.

Step 4: In addition to ENGL 1100 (3 semester hours), select 12-13 semester hours from the course options below. If ENGL 1100 is closed, please enroll in 15-16 semester hours from the course options below.
