**MATHEMATICS (BA & BS)**

**FIRST SEMESTER COURSE OPTIONS**

**IMPORTANT:** You are expected to follow instructions and register for classes following our guidance on PIER and below. An Academic Advisor will review your schedule during Orientation and will advise you if changes are needed. Schedule changes can be made now through the first week of the fall semester. Courses fill up quickly, so begin registering for classes as soon as possible. If you wait until New Student Orientation, your course options will be limited.

If you are bringing in transfer credits (e.g. EARLY COLLEGE or DUAL ENROLLMENT credits) you must submit a FINAL, OFFICIAL transcript from your community college/university in addition to your official high school transcripts to the ECU Undergraduate Admissions Office (admissions@ecu.edu). ECU CANNOT accept college credits from your high school transcripts. Please email a copy of your COLLEGE (not high school) transcripts to THCASadvising@ecu.edu if you need further guidance.

**CHOOSE YOUR FALL COURSES:** To stay on track to graduate in four years, plan to register for an average of 15 semester hour every fall and spring semester. To be a full-time student register for at least 12 semester hours.

**Step 1:** Click [HERE](#) to open a step-by-step, screenshot tutorial on how to register for classes.

**Step 2:** Register for PRIORITY course(s) in your major. If courses are full, please move on to next step and continue registering for courses. You can continue to check for open seats in your priority course(s) up until the first week of the fall semester.

**Mathematics**

Ideally, you should be registered for one of the following math courses:

- **MATH 1065:** College Algebra
- **MATH 1083:** Introduction to Functions
- **MATH 2171:** Calculus I
- **MATH 2172:** Calculus II
- **MATH 2173:** Calculus III

See below for math placement information. Students should register for the highest level course their test scores allow. DO NOT take MATH 1050.

<td>28 or higher</td>
<td>17 or higher on 1st test; Then must pass 2nd test with 12 or higher Then must pass 3rd test with 12 or higher</td>
<td>MATH 2171</td>
</tr>
</tbody>
</table>

To take math placement test, visit [HERE](#) for more information

**Additional Information:**

AP CREDIT for Calculus
If you scored a 3, 4, or 5 on the Calculus AB or BC Test, you will receive credit for either MATH 2171 or both MATH 2171 and MATH 2172; HOWEVER, we will not receive AP scores until mid-July. Therefore, we ask that you use the SAT or ACT criteria above to register for the appropriate math class just as a placeholder. For a list of all AP scores and ECU credit see Placement Credit.

TRANSFER CREDIT

If you are bringing in transfer credit (example: from a community college) for college algebra or calculus, do not worry about adding a math to your schedule. Please email THCASadvising@ecu.edu regarding your transfer credit and we can provide additional guidance.

Foreign Language (Bachelor of Arts students ONLY)

It is recommended that you start your foreign language study in the first or second year. You must take four levels of the same foreign language. Foreign language options are French, German, Greek, Japanese, Latin, Russian, and Spanish.

An online placement test for Spanish is mandatory—even for those who wish to enroll in level 1001. The test can be found here. Click on the “Spanish Placement Test” to create an account and start the test.

An online placement test for French and German is optional and can be found here Click on the “French” or "German Placement Test". Students with previous experience should take the test in order to start at a higher level. Level 1001 is for students who have never had the language.

Students who wish to take Japanese, Latin, Greek, and Russian who have no previous experience with the language can start with level 1001 (no test required). There is no online test for these languages. If you have previous experience in any of these languages, you can work with faculty on placement. Please visit this link to contact appropriate faculty.

Students who take the placement test receive bypass credit without a grade, only upon successful completion of the course into which they place, as follows:

- Upon passing 1002, students receive bypass credit for 1001.
- Upon passing 2003, students receive bypass credit for 1001, 1002.

Note: Do not attempt to register for a language class immediately after taking the Placement Test. If you take a Placement Test, you will have to wait for an email confirming your test score being recorded with ECU before you can register for a foreign language course. It takes approximately 3 business days to enter placement test scores into the university database.

Step 3: In addition to the courses listed in step above, complete your schedule by registering for additional courses from the options below. Remember to register for at least 12 semester hours of courses for tuition and financial aid purposes.

<table>
<thead>
<tr>
<th>Course Subject</th>
<th>Course Title</th>
<th>Semester Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>English</td>
<td>English 1100: Foundations of College Writing *this closes quickly so you may have to wait until spring to take this course.</td>
<td>3</td>
</tr>
<tr>
<td>Health &amp; Kinesiology</td>
<td>Health 1000: Health in Modern Society Or Recreational Therapy 2200 Principles and Practices in Stress Management Or Kinesiology 1000 Lifetime Physical Activity and Fitness Lab *these close very quickly so you may have to wait until spring to take these.</td>
<td>2 or 3 or 1</td>
</tr>
<tr>
<td>Social Science</td>
<td>Any General Education Social Science course(s) *You can take up to 2 in this category in your first semester. Click HERE for list of General Education course options</td>
<td>3-6</td>
</tr>
<tr>
<td>Humanities</td>
<td>Any General Education Humanities course(s) *You can take up to 2 in this category in your first semester.</td>
<td>3-6</td>
</tr>
<tr>
<td>Fine Arts</td>
<td>Any General Education Fine Arts course(s) *You can take up to 2 in this category in your first semester.</td>
<td>3-6</td>
</tr>
</tbody>
</table>

Step 4: Add yourself to a wait list (if available—not every course uses a waitlist) for any course you would like to take that is closed. To learn how to use wait lists, click HERE.
