Registration Key Terms

| | |
|------------------------------|--|
| <u>Academic Advisor:</u> | The staff member who will guide you through your degree. Academic Advisors assist with course registration and degree planning, among other duties. |
| <u>Add/Drop Period:</u> | A grace period at the beginning of each semester when you can add or drop a course without penalty. |
| <u>Course Load:</u> | The number of courses you are taking a semester. |
| <u>Credit Hour:</u> | You may also see this referred to as “semester hour credit.” Each course is assigned a number of credit hours that measures the instruction and learning for that course. |
| <u>Full-Time:</u> | To be enrolled as a full-time student, you should register for at least 12 credit hours a semester. |
| <u>General Education:</u> | Requirements outside of your major that are chosen to give you a broad, “well rounded” education. |
| <u>Orientation:</u> | Required session/event where you will learn about campus resources, how you are expected to behave on campus (also known as a code of conduct), and will meet with an Academic Advisor. |
| <u>Pre-Requisite:</u> | Course or placement you must complete before taking a course. |
| <u>Semester:</u> | Measurement that divides the academic year into 15-16 week terms. The main semesters are Fall (August through December) and Spring (January through May); however, there are also shorter semester (8 week) options for some courses, as well as the Summer semester (May through August). |
| <u>Semester Hour Credit:</u> | A semester hour credit is how college courses are measured. It is defined by the Federal Student Aid Handbook as “one hour of classroom or direct instruction, plus a minimum of two hours outside class work per week, for fifteen weeks” (the length of a semester). |

Did you know? If you want to complete your degree within 4 years, without enrolling in summer courses, you should register for *at least* 15 credit hours for the fall (and spring) semester.
