How do I register for classes?

Never fear! This packet includes directions for registering for your first semester at ECU!

1. Make sure you follow the instructions exactly.
2. Do not wait until your Orientation to register.
3. At your Orientation, an Academic Advisor will review your schedule.
   a. If a schedule change is needed, you can do so through the first week of the fall semester.
4. Courses fill up quickly, so register for your classes as soon as possible.
5. If you were an Early College or Dual Enrollment student, make sure you submit a final, official transcript from your community college/university in addition to your high school transcript. If you have AP credit, you must have College Board submit your scores to the ECU Undergraduate Admissions Office.

If you are interested in the following programs: Musical Theatre, Professional Actor Training, Design & Production, Stage Management, or Theatre for Youth please refer to the guide for the BFA in Theatre Arts not the BA in Theatre Arts.

The Bachelor of Fine Arts (BFA) is for performance or design and productions majors, whereas the Bachelor of Arts (BA) is an ideal degree for students with multiple interests in theatre, a special interest in directing or dramaturgy as well as students who wish to combine theatre training with other academic disciplines.

Registration Key Terms

**Academic Advisor:** The staff member who will guide you through your degree. Academic Advisors assist with course registration and degree planning, among other duties.

**Add/Drop Period:** A grace period at the beginning of each semester when you can add or drop a course without penalty.

**Course Load:** The number of courses you are taking a semester.

**Credit Hour:** You may also see this referred to as “semester hour credit.” Each course is assigned a number of credit hours that measures the instruction and learning for that course.

**Full-Time:** To be enrolled as a full-time student, you should register for at least 12 credit hours a semester.

**General Education:** Requirements outside of your major that are chosen to give you a “well rounded” education.

**Orientation:** Required session/event where you will learn about campus resources, campus expectations (also known as a code of conduct), and will meet with an Academic Advisor.

**Pre-Requisite:** Course or placement you must complete before taking a course.

**Semester:** Measurement that divides the academic year into 15-16 week terms. The main semesters are Fall (August through December) and Spring (January through May); there are also shorter semester (8 week) options for some courses and Summer semester (May through August).

**Semester Hour:** A semester hour credit is how college courses are measured. It is defined by the Federal Student Aid Handbook as “one hour of classroom or direct instruction, plus a minimum of two hours outside class work per week, for fifteen weeks” (semester).

Did you know?

- If you want to complete your degree within 4 years, without enrolling in summer courses, you should register for at least 15 credit hours for the fall (and spring) semester.

Step Two: Choose your Fall Courses

Begin with the PRIORITY courses for your major. If those courses are full, move on to the next step to continue registering for courses. You can check for open seats in priority courses until the first week of the fall semester.

Your PRIORITY courses:

**Step Four: What else do I need to know?**

- If there is a course you want to take, but it is closed, add yourself to a wait list. Wait list instructions are [HERE](#).
- Requirements for any major can be found in the [Undergraduate Catalog](#).
- Advisors are only an email away!
  - Email [sotdadvising@ecu.edu](mailto:sotdadvising@ecu.edu) from your ECU student account for assistance. Our Academic Advisors get a lot of emails and have a lot of students to help, but their goal is to return your email within two business days.
