How do I register for classes?

Never fear! This packet includes directions for registering for your first semester at ECU!

1. Make sure you follow the instructions exactly.
2. Do not wait until your Orientation to register.
3. At your Orientation, an Academic Advisor will review your schedule.
   a. If a schedule change is needed, you can do so through the first week of the fall semester.
4. **Courses fill up quickly, so register for your classes as soon as possible.**
5. If you were an Early College or Dual Enrollment student, make sure you submit a **final, official** transcript from your community college/university in addition to your high school transcript. Please email a copy of your COLLEGE transcripts to THCASadvising@ecu.edu if you need further guidance.

---

Registration Key Terms

**Academic Advisor:** The staff member who will guide you through your degree. Academic Advisors assist with course registration and degree planning, among other duties.

**Add/Drop Period:** A grace period at the beginning of each semester when you can add or drop a course without penalty.

**Course Load:** The number of courses you are taking a semester.

**Credit Hour:** You may also see this referred to as “semester hour credit.” Each course is assigned a number of credit hours that measures the instruction and learning for that course.

**Full-Time:** To be enrolled as a full-time student, you should register for at least 12 credit hours a semester.

**General Education:** Requirements outside of your major that are chosen to give you a broad, “well rounded” education.

**Orientation:** Required session/event where you will learn about campus resources, how you are expected to behave on campus (also known as a code of conduct), and will meet with an Academic Advisor.

**Pre-Requisite:** Course or placement you must complete before taking a course.

**Semester:** Measurement that divides the academic year into 15-16 week terms. The main semesters are Fall (August through December) and Spring (January through May); however, there are also shorter semester (8 week) options for some courses, as well as the Summer semester (May through August).

**Semester Hour Credit:** A semester hour credit is how college courses are measured. It is defined by the Federal Student Aid Handbook as “one hour of classroom or direct instruction, plus a minimum of two hours outside class work per week, for fifteen weeks” (the length of a semester).

---

**Did you know?** If you want to complete your degree within 4 years, without enrolling in summer courses, you should register for at least 15 credit hours for the fall (and spring) semester.
Step One:
Click HERE to open a step-by-step, screenshot tutorial on how to register for classes.

Step Two: Choose your Fall Courses

1. Begin with the PRIORITY courses for your major. If those courses are full, you'll move on to the next step to continue registering for courses. You can check for open seats in priority courses until the first week of the fall semester.

Your PRIORITY courses:

<table>
<thead>
<tr>
<th>Geography</th>
<th>It is strongly recommended that you take one of these courses during your first semester (if available). Do not worry if they are closed—you will have time to take them in the fall of your sophomore year.</th>
</tr>
</thead>
<tbody>
<tr>
<td>GEOG 2400: Spatial Data Analysis or GEOG 2420: Cartography</td>
<td></td>
</tr>
<tr>
<td>If GEOG 2400 and 2410 are unavailable, you can try to register for ONE of the following courses below.</td>
<td></td>
</tr>
<tr>
<td>You may also take one of these courses in addition to GEOG 2400 or 2410.</td>
<td></td>
</tr>
<tr>
<td>GEOG 1000 People, Places, and Environments</td>
<td></td>
</tr>
<tr>
<td>GEOG 2003 Geography of the Global Economy</td>
<td></td>
</tr>
<tr>
<td>GEOG 2019 Geography of Recreation</td>
<td></td>
</tr>
<tr>
<td>GEOG 2300 Geography of Environmental Resources</td>
<td></td>
</tr>
<tr>
<td>GEOG 2350 Climate Change: Science and Society</td>
<td></td>
</tr>
<tr>
<td>PLAN 1900 Sustainable Cities</td>
<td></td>
</tr>
<tr>
<td>3-6 credit hours</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Natural Science</th>
<th>It is recommended that you register for one of the natural sciences below.</th>
</tr>
</thead>
<tbody>
<tr>
<td>GEOG 1250 &amp;1251 Water in the Environment with Lab or GEOG 1300 Weather and Climate (no lab)</td>
<td></td>
</tr>
<tr>
<td>3-4 credit hours</td>
<td></td>
</tr>
</tbody>
</table>

Step Three: Additional Courses

For financial aid, insurance, and tuition purposes, you will likely want to register for at least 12 hours. If you did not get 12 hours from the suggestions in Step Two, please choose additional courses from the examples below.

<table>
<thead>
<tr>
<th>Social Science</th>
<th>Any General Education Social Science course(s). Click HERE for options. You can take up to 2 in this category in your first semester.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>3-6 credit hours</td>
</tr>
</tbody>
</table>

| Humanities | Any General Education Humanities course(s). Click [HERE](#) for options.  
You can take up to 2 in this category in your first semester.  
3-6 credit hours |
| --- | --- |
| Fine Arts | Any General Education Fine Arts course(s). Click [HERE](#) for options.  
You can take up to 2 in this category in your first semester.  
3-6 credit hours |
| MINOR | A minor is optional for this major.  
You can find a list of minors [HERE](#).  
Most minors require 18 to 24 credits.  
• Start with a 1000 or 2000 level course in that area.  
• You may also choose to complete a double major.  
3-6 credit hours |
| English | ENGL 1100: Foundations of College Writing  
You can take this in fall or spring your freshman year.  
3 credit hours |
| Health | HLTH 1000: Health in Modern Society  
Or RCTX 2200: Principles and Practices in Stress Management  
2-3 credit hours |
| Kinesiology | KINE 1000: Lifetime Physical Activity and Fitness Lab  
You’ll likely take KINE 1000 during your sophomore year or later.  
1 credit hour |
| MATHEMATICS REGISTRATION INFORMATION | You should not register for a mathematics course in your first semester.  
You will register for MATH 1065 in the spring.  
If you have not already taken the math placement test, click [HERE](#) for more information.  

AP CREDIT for Calculus  
If you scored a 3, 4, or 5 on the Calculus AB or BC Test, you will receive credit for either MATH 2171 or both MATH 2171 and MATH 2172.  

TRANSFER CREDIT  
If you are bringing in transfer credit (example: from a community college) for college algebra or calculus, do not worry about adding a math to your schedule. Please email [THCASadvising@ecu.edu](mailto:THCASadvising@ecu.edu) regarding your transfer credit and we can provide additional guidance.  

To determine whether you may need a remedial mathematics course, see the table on the next page. |
SAT Math | ACT Math | Math Placement Test Score | Registration Information
---|---|---|---
0-560 | 0-22 | 0-16 | In-State students should register for MATH 0045.
| | | | Out-of-state students should register for MATH 0001.
570 or higher | 23 or higher | 17 or higher on 1st test | MATH 1065

Step Four: What else do I need to know?

- If there is a course you want to take but it is closed, add yourself to a wait list. Wait list instructions are HERE.
- Requirements for any major can be found in the Undergraduate Catalog.
- Advisors are only an email away!
  - Email thcasadvising@ecu.edu from your ECU student account for assistance. Our Academic Advisors get a lot of emails and have a lot of students to help, but their goal is to return your email within two business days.

Step Five: Use Your Resources

Foreign Language Placement Testing: https://foreign.ecu.edu/resources/placement-exams/

General Education Course Options: Click HERE.

Math Course Placement Information: https://math.ecu.edu/placement/

Registration Errors Explained: https://advising.ecu.edu/registration-errors/
