BIRTH-KINDERGARTEN TEACHER EDUCATION First Semester Registration Information Packet

How do I register for classes?

Never fear! This packet includes directions for registering for your first semester at ECU!

- 1. Make sure you follow the instructions exactly.
- 2. Do not wait until your Orientation to register.
- 3. At your Orientation, an Academic Advisor will review your schedule.
 - a. If a schedule change is needed, you can do so through the first week of the fall semester.
- 4. Courses fill up quickly, so register for your classes as soon as possible.
- 5. If you were an Early College or Dual Enrollment student, make sure you submit a **final**, **official** transcript from your community college/university in addition to your high school transcript.

Registration Key Terms

Academic Advisor: The staff member who will guide you through your degree. Academic Advisors

assist with course registration and degree planning, among other duties.

Add/Drop Period: A grace period at the beginning of each semester when you can add or drop a

course without penalty.

<u>Course Load</u>: The number of courses you are taking a semester.

<u>Credit Hour:</u> You may also see this referred to as "semester hour credit." Each course is

assigned a number of credit hours that measures the instruction and learning for

that course.

Full-Time: To be enrolled as a full-time student, you should register for at least 12 credit

hours a semester.

General Education: Requirements outside of your major that are chosen to give you a broad, "well

rounded" education.

Orientation: Required session/event where you will learn about campus resources, how you

are expected to behave on campus (also known as a code of conduct), and will

meet with an Academic Advisor.

<u>Pre-Requisite:</u> Course or placement you must complete before taking a course.

<u>Semester:</u> Measurement that divides the academic year into 15-16 week terms. The main

semesters are Fall (August through December) and Spring (January through May); however, there are also shorter semester (8 week) options for some

courses, as well as the Summer semester (May through August).

Semester Hour Credit: A semester hour credit is how college courses are measured. It is defined by the

Federal Student Aid Handbook as "one hour of classroom or direct instruction, plus a minimum of two hours outside class work per week, for fifteen weeks" (the

length of a semester).

• If you want to complete your degree within 4 years, without enrolling in summer courses, you should register for *at least* **15** credit hours for the fall (and spring) semester.

Step Three: What else do I need to know?

- Remember, the schedule you create now does not need to be perfect. We will double-check everything at orientation and make suggestions if needed. As long as you are registered for 14-16 credit hours from option above, you are doing great!
- If there is a course you want to take, but it is closed, add yourself to a wait list. Wait list instructions are HERE. Even if you are on a waitlist, please be sure to register for an alternative or back-up course so that you are registered for at least 14-16 credit hours. You can always drop these alternate courses if you get into your waitlist course.
- Advisors are only an email away!
